WOLF

Montana Hunting Regulations

Montana Fish, Wildlife & Parks

Gray wolf *Canis lupus.* Photo by Joe McDonald

Apply for General Licenses, Special Licenses, and SuperTags Online: **fwp.mt.gov**

Regulations Adopted by Fish & Wildlife Commission

These regulations are adopted under the authority granted to the Fish & Wildlife Commission (F&W Commission) in MCA 87-1-301 and are valid March 1, 2014 through March 15, 2015. The F&W Commission reserves the authority to amend the seasons, limits and regulations herein if deemed necessary for wildlife management purposes. These regulations were adopted by the F&W Commission on July 10, 2014. Jeff Hagener, Director.

State and Federal laws, Title VI of Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, and Title IX of the Education Amendments of 1972, prohibit discrimination on the basis of race, color, sex, age, religion, national origin, or disability. Anyone believing he or she has been discriminated against (as described above) in any Fish, Wildlife & Parks (FWP) program, activity, or facility may write to FWP Personnel Office, 1420 East Sixth Avenue, PO Box 200701, Helena, MT 59620-0701 or the office of Equal Opportunity, U.S. Department of the Interior, Washington, D.C. 20240.

What's New & Reminders

- Avoid harvesting wolves with radio collars. Collared wolves provide researchers with important information.
- A wolf harvest must be reported within 24 hours.
- Any WMU can close upon a 24-hour notice.

Hunting

- Wolf hunting general season is Sept. 15—March 15, 2015.
- Once the season begins, a wolf hunting license becomes valid 24 hours after purchase.
- Electronic calls can be used for wolf hunting.
- The bag limit is 5 wolves per hunter/trapper in any combination of hunting or trapping.

Trapping

- Wolf trap pan tension must be at least 10 pounds in Regions 1,2,3,4 and 5.
- Trappers must immediately dispatch a trapped wolf by gunshot – unless otherwise authorized not to do so by FWP prior to wolf trapping efforts.
- A 150-foot setback is required for wolf traps along open roads and hiking trails on public federal and state lands.

Licensing – General Information and Procedures

- A wolf license is available at all Fish, Wildlife & Parks offices, FWP license providers, and online at **fwp.mt.gov**.
- A wolf license purchased after August 31 may not be used until 24-hours after the license is issued.
- The conservation license allows hunters, anglers and trappers (with Special Recreational Use License from DNRC) access to all legally accessible state school trust lands.

Interstate Wildlife Violator Compact – Montana is a member of the Interstate Wildlife Violator Compact. Under the compact, member states recognize suspensions of hunting, fishing or trapping privileges. It is illegal for a violator whose privilege to hunt, fish or trap is suspended to obtain or attempt to obtain a license, tag or permit in a member state. For more information, call 406-444-2452.

Licensing – Youth Hunting Opportunities

A resident or nonresident youth who is currently 11 but will reach 12 years of age by January 16, 2015, is eligible to hunt wolf with a valid license after August 15, 2014. Proof of hunter education must be presented at the time of purchase.

A youth must be 12 years of age and have successfully completed the wolf trapping certification class to trap a wolf.

License Chart

The following licenses, for the purpose of wolf hunting are valid March 1, 2014 through the dates listed in these regulations and subject to quota closures.

LICENSE	REQUIREMENTS	COST
Conservation	Required Prerequisite.	**$8** Resident **$10** Nonresident
Hunting Access Enhancement Fee	Annual fee charged at the time the hunter purchases his/her first hunting license.	**$2** Resident **$10** Nonresident
Wolf Hunting	A wolf hunting license purchased after August 31 may not be used until 24-hours after the license is issued.	**$19** Resident **$50** Nonresident
General Trapper, Resident	Available to resident conservation license holders 12 years of age or older. Allows license holder to trap wolves. Completion of either the Idaho or Montana wolf trapping certification class is mandatory.	**$20**
Landowner Trapper, Resident	Applicant must give legal description of owned or leased land, name, address and resident ALS number. License holder restricted to trapping and hunting only on their owned property and leased lands. Completion of either the Idaho or Montana wolf trapping certification class is mandatory. **Issued only through FWP offices.**	**$1**
Nonresident Trapper	Available only to nonresident conservation license holders 12 years of age or older, whose state of residence has nonresident trapper licenses available to Montana trappers. Completion of either the Idaho or Montana wolf trapping certification class is mandatory. **Issued only through FWP offices**. Valid only for predatory animals and nongame wildlife, including wolves.	**$250**
Bow and Arrow (Archery)	A bow and arrow license, plus the proper hunting license is required during wolf Archery Only Season.	$10 Resident $10 Nonresident
Special DNRC Recreational Use License	Required to trap on State School Trust Lands. Contact Montana Department of Natural Resources and Conservation to apply for this license. Apply by Sept 30.	Free

Licensing – Residency

It is illegal to swear to or to affirm a false statement in order to obtain an original or duplicate resident hunting and/or fishing license OR to assist an unqualified applicant in obtaining a resident license.

Resident

- To be a legal Montana resident and eligible to purchase any Montana resident fishing, hunting, and trapping licenses, as per MCA 87-2-102, you must:
  - claim Montana as your principal or primary home or place of abode.
  - have been physically living in Montana for at least 180 consecutive days immediately prior to purchasing a resident license.
  - register your vehicle(s) in Montana.
  - be registered to vote in Montana if you're registered to vote.
  - not possess current (or have applied for any) resident hunting, fishing, or trapping privileges in another state or country.
  - file Montana state income tax returns as a resident, if you are required to file.
- Once you have established your residency, you must continue to meet all these requirements and physically reside in Montana as your principal or primary place of abode for not less than 120 days per year (days need not be consecutive).

- To purchase an annual resident conservation license you will be required to show a valid Montana Driver's License (MDL), a valid Montana Identification Card (MIC) or a valid Tribal Identification Card.
- If your MDL or MIC has been issued for less than six months, you may be required to show additional proof of residency. An out-of-state driver's license is NOT an acceptable form of ID for resident license purchases. Contact your local FWP office for specifics.
- A person is NOT considered a resident for the purposes of this section if the person claims residence in any other state or country for any purpose.

Hunter/Trapper Education Requirements

Hunter Education for Firearm and Archery

- If you were born after January 1, 1985, you are required to show proof of completing a Montana hunter safety and education course (or an approved hunter safety course from any other state or province) prior to applying for or purchasing a hunting license, whether the hunting license is for the rifle or archery season.
- Montana law requires members of the armed forces and their dependents stationed in Montana to present a Montana hunter education certificate or similar certificate from any state or province when purchasing any Montana hunting license.
- Duplicates – Montana certificates of completion for the Montana hunter education and/or bowhunter education courses may be obtained from FWP's website.

Wolf Trapper Certification – A person must attend a wolf trapping certification class before setting any trap for a wolf. Completion of either the Idaho or Montana wolf trapping certification class will be recognized as meeting this requirement.

Hunter Land Access

Closed Lands – State Game Preserves, National Parks, and National Wildlife Refuges are closed to wolf hunting. For additional information on state and federal regulations, contact the local land manager.

Private Land Access – Montana law requires hunters to have the permission of the landowner, lessee, or their agent before hunting on private property, regardless of whether the land is posted or not. Access courtesy cards and a map directory pamphlet are available at all FWP offices.

Public Land Access

- Wolf hunting between the ordinary high water marks of streams and rivers is illegal without landowner permission. Landowner permission must be obtained to hunt private lands adjacent to waterways.
- FWP is working cooperatively with other agencies to improve signing of legally accessible public lands wherever possible. A map directory pamphlet is available at all FWP offices.
- Enforcement of Area Closures on Public Land: All federally approved travel plans on public lands in Montana are hereby adopted by the Fish & Wildlife Commission. Motorized travel in restricted areas in violation of any current travel plan or land use plan is prohibited during the hunting season.

Railroad Access – Railroads and railroad right-of-ways are private property and may not be hunted without permission, nor should they be used as access to other lands (private or public) without explicit permission from the railroad. Consult the individual railroad for details.

State School Trust Land – A resident Conservation License allows hunters, anglers and trappers access to all legally accessible State school trust lands. However, licensed trappers are required to obtain a free Special Recreational Use License (SRUL) from the Montana Department of Natural Resources and Conservation (DNRC) prior to trapping or snaring on state school trust lands. Trapping may be restricted to those state school trust lands as approved in the SRUL. For further information on how to obtain a SRUL, contact a DNRC office. The deadline to apply for a SRUL is September 30.

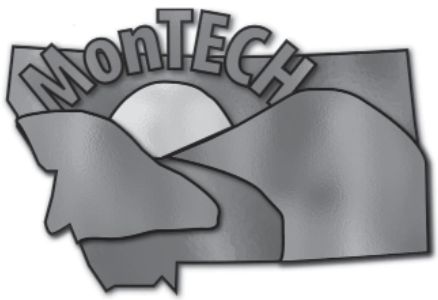
State Wildlife Management Areas (WMA) – Wildlife Management Areas are generally open to hunting during the fall wolf season, although special regulations may apply (see Special Regulations). WMAs with big game winter range are closed to public entry, unless otherwise posted, from the day following the end of the general deer-elk season or December 1, whichever is later, to noon on May 15 each year, as posted.

- Exception: There are several exceptions to these guidelines. For WMA specific information, please call the Regional office (see back cover for contact numbers) or visit the FWP website at: **http://fwp.mt.gov/fishAndWildlife/wma/**

Tribal Land– Indian Reservations are not open to wolf hunting with a State of Montana license. For questions contact the respective Tribal Government Office.

Hunters with a Disability

If you or someone you know has a disability and/or is aging, and is in need of assistive technology (AT) or adaptive equipment to help you participate in outdoor recreation, please contact :



MonTech at the University of Montana Rural Institute
700 SW Higgins Ave – Ste 250
Missoula MT 59803.
877-243-5511.
http://montech.ruralinstitute.umt.edu/

Definitions

Legal Wolf – Any male or female wolf, including young-of-the year.

Wolf Management Unit (WMU) – Areas that define Montana's wolf hunting and trapping districts as specified under "Wolf Management Unit (WMU) Legal Descriptions".

General Regulations

It is illegal to

- "Party" hunt. Each hunter must shoot and tag his/her own animal.
- Loan or transfer their license to another person or use a license issued to another person.
- Carry or have physical control over a valid and unused hunting license or permit issued to another person while in any location where the species to be hunted occurs. Exception: a person may carry or have control over a license or permit issued to that person's spouse or any minor when the spouse or minor is hunting with that person.
- Alter a license or permit for any reason.
- Post state or federal land other than that done by a state or federal land agency.

Airplane Spotting – Aircraft may not be used to locate big game animals for the purpose of:

- Hunting those animals during the same hunting day after a person has been airborne or;
- Providing information for another person for the purpose of hunting those animals within the same hunting day after being airborne;

The use of unmanned aerial vehicles (UAV) for the purpose of locating, spotting or hunting big game, upland birds or other species under the management authority of FWP during commission-established hunting seasons is prohibited.

Check Stations – All hunters are required to stop as directed at all designated check stations on their way to and from hunting and fishing areas, even if they have no game or fish to be checked.

Evidence of Sex – The following are considered lawful evidence of sex: males: testicles; females: vulva or mammaries.

Hunting Hours – Authorized hunting hours for the taking of wolves begin one-half hour before sunrise and end one-half hour after sunset each day of the hunting season. See official sunrise-sunset tables in these regulations.

Hunting over Bait – it is illegal to hunt wolves over bait.

Hunter Orange

- Firearm Hunters
  - Any person hunting or accompanying a hunter as an outfitter or guide must wear a minimum of 400 square inches of hunter orange (fluorescent) material above the waist, visible at all times. Hunter orange is not required after December 01, 2014.
- Archery Hunters
  - A licensed bowhunter pursuing wolf during the Archery Only Season or in archery only hunting district is not required to meet the hunter orange requirement even if there is a concurrent firearm season in that hunting district or portion of district. However, bowhunters hunting during any portion of the general season (firearm) for wolf must always wear a minimum of 400 square inches of hunter orange (fluorescent) above the waist, visible at all times.

Illegal Take – A person convicted of the illegal taking, killing, or possession of a wolf will be fined $1,000 as per Montana law.

Inspection of Wildlife – Wildlife taken must be shown to FWP enforcement for inspection when requested.

License Possession

- Licenses must be carried on your person at all times while in the field hunting.
- Licenses must be produced if requested by FWP Enforcement personnel.

Limits and Seasons – The combined maximum hunting and trapping bag limit is five wolves per person during the 2014-15 season. Five wolves can be taken by means of hunting each with a valid wolf license. Trapping is authorized Dec. 15, 2014 - Feb. 28, 2015 with a valid trapping license and upon completion of a mandatory wolf-trapping certification class. Persons could take up to five wolves via a combination of hunting and trapping (maximum harvest of five wolves per person).

Marked or Radio-Collared Animals – It is legal to shoot game animals that have radio collars, neck bands, ear tags and/or other markers, but markers and radio collars must be returned to FWP. Please report the killing of a marked animal to the local FWP Office.

Motion-Tracking or Camera Devices – It is lilegal for a person to possess or use in the field electronic or camera device whose purpose is to scout the location of wolves. It is illegal to relay the information on a game animal's location or movement during any Commission-adopted hunting season.

Night Vision Equipment – It is illegal to use night vision equipment or electronically enhanced light gathering optics for locating or hunting game.

Recorded Animal Sounds – It is legal to use recorded or electrically amplified bird or animal calls or sounds or imitations of bird or animal calls or sounds to assist in the hunting, taking, killing or capturing of wolves.

Return to Kill Site – As a condition of hunting in Montana, persons may be required to return to the kill site if requested to do so by a FWP employee.

Silencers – The possession of firearms with silencers while big game hunting is illegal.

Simulated Wildlife – It is illegal to discharge a firearm or other hunting implement at a simulated wildlife decoy in violation of any state statute or F&W Commission rule regulating the hunting of the wildlife being simulated.

Transport

- If you are transporting wolves, game, furbearers or fish between Montana and Canada, whether for commercial or noncommercial purposes, you must complete a USFWS declaration form and inspection. Contact the Wildlife Inspector, U.S. Fish & Wildlife Service, Office of Law Enforcement, Great Falls International Airport, 2800 Terminal Drive, Suite 105, Great Falls, MT 59404 or phone 406-453-5790 or fax 406-453-3657 or download from USFWS website at **www.fws.gov**.
- A CITES permit is required in order to export wolf hides or parts out of the United States. Information on these permits and how to acquire them may be obtained from: Office of Management Authority, USFWS, 4401 N. Fairfax Drive, Room 432, Arlington VA 22203 or telephone 1-800-358-2104 or local USFWS office or agent, or USFWS website at **www.fws.gov**.

Two-way Communications

- Two-way communication (radios, cell phones, text messages, etc.) may not be used to:
  - hunt wolves. "Hunt" means to "pursue, shoot, wound, kill, chase, lure, possess or capture." OR
  - avoid game checking stations, FWP enforcement personnel, or to facilitate unlawful activity.
- The rule does not prohibit the possession or use of two-way communication for safety or other legitimate purposes.

Waste of Game – Wolf is excluded from being considered as "suitable for food" under big game regulations. A person that harvests a wolf and wishes to retain possession of the hide and head must personally present the hide and skull with evidence of sex naturally attached to a designated FWP employee **within ten (10) days** after harvest. The remaining carcass may be taken in possession or be left in the field.

Youth Hunters – In order to carry or use a firearm for any reason, a youth under 14 years of age must be accompanied by a person having charge or custody of the child, or be under the supervision of a qualified firearms safety instructor or an adult 18 years of age or older who has been authorized by the youth's parent or guardian, MCA 45-8-344.

Wolf Hunting Means and Methods

As a species in need of management, wolves may only be taken by hunting (firearms or archery) or trapping during the designated seasons.

Wolves with Radio Collars – Radio collars are used to monitor wolf activity, assess population status and help determine hunting and trapping opportunities. Though it is legal to do so, FWP encourages hunters and trappers to avoid harvesting radio-collared wolves.

Firearms – General Season

- There is no rifle or handgun caliber limitation for the taking of big game animals.
- Muzzleloaders, shotguns with 0, 00, or slugs, archery equipment, and crossbows are legal.
- The possession of firearms with silencers while afield is illegal.

Archery Equipment (ArchEquip) – Archery Only Season and in archery equipment only areas.

- It is unlawful to use any chemical or explosive device attached to an arrow to aid in the taking of wildlife.
- Lawful Archery Equipment: It is illegal to possess, while hunting big game during any archery only season and in archery equipment only areas, archery equipment that does not meet the following criteria.
- Hunting Bow: A hunting bow for big game shall be a longbow, flatbow, recurve bow, compound bow, or any combination of these designs
- The bow must be a device for launching an arrow, which derives its propulsive energy solely from the bending and recovery of two limbs (includes bows with split limbs).
- The bow must be hand drawn by a single and direct uninterrupted pulling action of the shooter.
- The bow must be hand-held. One hand shall hold the bow and the other hand draw the bowstring. Exception: Physically disabled bowhunters certified by FWP with the Permit To Modify Archery

Equipment (PMAE) are exempted from the requirement of holding or shooting the bow with their hands.

- A bow is considered legal if not shorter than 28 inches total length.
- The nominal percent of let-off for hunting bows shall be a maximum of 80 percent.
- Arrow: An arrow is a projectile at least 20 inches in overall length. The length of the arrow is measured from the rearward point of the nock to the tip of the broadhead.
- A broadhead is mounted on the fore end.
- The arrow shall weigh no less than 300 grains with the broadhead attached.
- Arrows must have broadheads with at least two cutting edges. Expandable broadheads are legal as long as when expanded they are at least 7/8 inches at the widest point, and weigh no less than 70 grains.
- The following are not considered a hunting bow or legal archery equipment during the Archery Only Season or in an ArchEquip Only area or hunting district:
  - Crossbow.
  - Any device with a gun-type stock or incorporating any device or mechanism that holds the bowstring at partial or full draw without the shooter's muscle power.
  - Any bow for which a portion of the bow's riser (handle) or any track, trough, channel, or other device that attaches directly to the bow's riser contacts, supports, and/or guides the arrow from a point rearward of the bow's brace height. This is not intended to restrict the use of standard overdraw systems.
  - Electronic or battery-powered devices attached to a hunting bow.
  - A bow sight or arrow which uses artificial light, luminous chemicals such as tritium, or electronics.

Prohibited Methods of Taking

- It is unlawful to:
  - loan or transfer your license to another person or use a license issued to another person.
  - interfere/hinder with the lawful taking of a game animal.
  - to hunt wolves with dogs.
  - use artificial scents or lures to hunt wolves.
- It is illegal for anyone to hunt or attempt to hunt any wolf:
  - from any self propelled (that is, motorized) or drawn vehicle. Even if the vehicle is not moving, hunters must be off or out of the vehicle. Holders of the Permit To Hunt From A Vehicle are the exception to this;
  - from, on or across any public highway or the shoulder, berm, barrow pit or right-of-way of any public highway (the entire width between the boundary lines of every publicly maintained way when any part thereof is open to the use of the public for purposes of vehicular travel) in the State of Montana; or
  - by the aid or with the use of any set gun, jacklight, spotlight or other artificial light, snare, or an electronic tracking device as per Montana law.
- Hunters may not use a motorized vehicle or aircraft to concentrate, drive, rally, stir-up, corral or harass wolves.
- Party hunting is not legal in Montana; each hunter must shoot his/her own animal.

Wolf Trapping Regulations

Wolves with Radio Collars – Radio collars are used to monitor wolf activity, assess population status and help determine hunting and trapping opportunities. Though it is legal to do so, FWP encourages hunters and trappers to avoid harvesting radio-collared wolves.

Wolf Trapper Certification – A person must attend a wolf trapping certification class before setting any trap for a wolf. Completion of either the Idaho or Montana wolf trapping certification class will be recognized as meeting this requirement. A certificate will be awarded to those completing the Montana trapping certification class. This certification must be in possession of any person setting wolf traps and/or harvesting a wolf by trap.

Trapper License – A person must hold a valid trapper license along with proof of completion of a wolf trapping certification class.

Checking and Placing Traps – Traps are required to be visually checked at least once every 48 hours. Failure to pick up traps at the end of the trapping season or attending them in a manner that wastes animals constitutes a misdemeanor per Montana law.

Trap Identification – Metal identification tags must be fastened to all traps. Metal tags must bear the name and address of the trapper OR a personal identification number, which is the trapper's date of birth and ALS number. Tags should be attached to the end of the chain or other anchoring material at the end farthest from the portion of the device which holds the animal. Landowners who trap on their own lands and irrigation right-of-way contiguous to their land do not need to tag traps.

Trapping Equipment Requirements – Foothold traps are legal methods during the wolf trapping season. The inside jaw spread of foothold traps must not exceed nine inches. A minimum trap pan tension setting of 10 pounds is required in Regions 1, 2, 3, 4 & 5. Conibears or snares may not be used to take wolves.

Trapped Wolves – Trappers are required to dispatch wolves via gunshot.

Legal Hours – Trappers will be allowed to dispatch trapped wolves during all hours including night time. A trapper must immediately dispatch any uncollared wolf – unless otherwise authorized not to do so by FWP prior to wolf trapping efforts – captured while the trapper holds a valid license authorizing harvest of a wolf or any incidentally captured wolf that is injured.

Landowner Permission – Trappers must obtain permission of the landowner, lessee or their agent before trapping on private land.

Closures – In Trapping District 2 the Blue Mountain and Pattee Canyon Recreation Areas, the Rattlesnake National Recreation Area (that portion lying outside and excluding the Rattlesnake Wilderness Area) and the Bass Creek Recreation Area are closed to wolf trapping. For information or maps of these Special Recreation Areas, contact the local US Forest Service Office.

Lake Como Ski Area – Ground sets are prohibited from December 1 to March 31. The area is defined as that portion of the Bitterroot National Forest, and Ravalli County, lying within the following described boundary: Beginning at the junction of U.S. Forest Service Roads (FS) 550 and 550A, then south and west on FS 550A to its junction with FS 13201, then north on said road to its junction with FS 550, then east on said road to its junction with FS 550A, the point of beginning.

Public Land Roads and Trails – A 150-foot setback is required for wolf traps along open roads and hiking trails on federal and state public lands.

Expanded Setbacks along High Recreational use Trails and Roads – A 500-foot setback from both edges of the trails and roads listed below is required for all ground set traps in Regions/Trapping Districts 1 and 3.

Region/Trapping District (TD)					
TD1	TD 3				
	Hyalite Area	Bozeman Face Trails	West Bridger's	Gallatin Canyon	Paradise Valley
• Blacktail Nordic Trail • Big Fork Nordic Trail • Round Meadow Nordic Trail • Whitefish Legacy Trail • Eureka Rails to Trails	• Lick Creek/ Wildhorse trail #452 • History Rock loops trail #424 • Blackmore loops trail #423 • Crescent Lake trail #213 • West Shore trail #431 • E. Fork Road/ Pallisade trail #433 • Grotto Falls trail #432 • Moser/Buckskin Road Loop • Maxy Loop trail #62	• Bozeman Creek/ Moser winter trail #850 & #851 • South Cottonwood winter trail #852 • Bear Canyon winter trail #848	• "M" trails #538, #511, #512 and #513 in Sec 27 T1S, R6E • Sypes trail #531 • Middle Cottonwood trail #586 • Truman Gulch trail #535	• Porcupine trail #34 • Beehive Basin winter trail #861	• Mill Creek trail #945 • Suce Creek trail #44

Exposed Carcass or Bait – No trap may be set within 30 feet of an exposed carcass or bait that is visible from above. Exposed carcass or bait is defined as the meat or viscera of a mammal, bird or fish, or any part thereof more than one pound in weight. Bleached bones are excluded.

Public Land Campgrounds – On public land, foothold traps are prohibited within 1,000 feet of a designated campground or recreation site that is accessible by highway vehicle.

Public Land Trailheads – On public land, foothold traps are prohibited within 1,000 feet of a designated or marked trailhead that is accessible by highway vehicle.

Occupied Dwellings – Foothold traps are prohibited within 1,000 feet of an occupied dwelling without written notification of the occupant.

Incidental Take of Wolves Beyond the Bag Limit – Trappers may not set traps to capture wolves unless they possess a valid trapping license and have proof of a completed Montana or Idaho wolf trapper certification class. Wolf traps must be removed within 24 hours of capturing an individual trapper's last legally harvested wolf. A trapper must immediately dispatch any uncollared wolf captured that may be legally possessed unless the trapper is otherwise authorized not to do so by FWP prior to wolf trapping efforts. A trapper with an unfilled bag limit may release an uninjured collared wolf. If a wolf trapper incidentally catches a wolf beyond the legal limit and the wolf is uninjured, the trapper must contact FWP within 24 hours to potentially have the wolf fitted with a radio collar and released to assist FWP in management efforts. Depending upon circumstances that may include history of livestock depredations in the area and other radio collars already in place, FWP may prescribe these wolves be lethally removed. All incidentally captured wolves that are injured must be dispatched by the trapper immediately. All incidentally captured wolves that are dispatched must be reported within 24 hours to a designated FWP employee or an FWP Regional Office and the skull and pelt must be presented to FWP within 10 days. It is unlawful for any person to retain possession of an incidentally taken wolf as per Montana law.

Non-Target Species – Incidental captures of non-target wildlife such as protected birds or mammals, that cannot be legally possessed and that are uninjured, shall be released immediately on site and immediately reported to an FWP Regional Office. Trappers that incidentally capture protected animals that cannot be legally possessed and that cannot be released uninjured, must immediately notify a designated FWP employee or an FWP regional office, to determine disposition and/or collection of the animal.

Lynx Season Closed – Incedentally trapped lynx that are uninjured must be released immediately and the incident must be reported to a designated FWP employee within **24 hours** of release. If a lynx is injured, trappers must immediately notify a designated FWP employee or an FWP Regional Office, to determine disposition and/or collection of the animal.

Capture of Domestic Dogs – To improve the understanding of accidental dog captures in traps, trappers must report such captures, excluding a trapper's dog, to an FWP regional office within **24 hours** of identifying the capture.

Disturbing Traps or Trapped Animals – It is unlawful to destroy, disturb or remove any trap or trapped wildlife belonging to a trapper without permission of the owner of the trap per Montana law.

Special Regulations

Fish, Wildlife and Parks owned Wildlife Management Areas (WMAs) are generally open to trapping, although special regulations apply to most WMAs. Contact the local WMA manager or FWP Regional Office for information on how to obtain permission to trap on WMAs in the state. The following WMAs have special regulations in effect that require wolf trappers to apply for a special permit by September 15 to trap all or a portion of the area.

Blackfoot-Clearwater Wildlife Management Area – The Blackfoot-Clearwater has one (1) wolf trapping unit. One trapper will be selected by random drawing each season and permitted to trap up to one limit of wolves. Trapping will be permitted for wolf only; no other furbearing or predatory species may be taken within the wolf trapping unit. Because the trapping unit is within the WMA's winter closure area, all trapping activity will be limited to non-motorized travel only. In addition, because the wolf trapping unit includes State School Trust Land, trappers are reminded to obtain a Special Recreational Use License (application deadline September 30) from the Montana Department of Natural Resources and Conservation (DNRC) prior to trapping on School Trust Lands. Applicants must possess a valid trapper license and a valid wolf trapping certification # to apply for this permit. Applicants must submit their name, address, phone number and ALS number by September 15 to:

Jay Kolbe, Blackfoot-Clearwater WMA
Montana Fish, Wildlife & Parks
3201 Spurgin Road,
Missoula, MT 59801

Fish Creek Wildlife Management Area – The Fish Creek Wildlife Management Area is divided into seven (7) trapping units. Permitted trappers will be selected by random drawing. Trappers will be able to select a unit to trap in the order that names are drawn. Each selected trapper shall be permitted to trap one limit of furbearers and wolves, excluding beaver (the entire Fish Creek drainage is closed to beaver trapping). Trappers may also take predatory species within their permitted unit. Note: Because Trapping Unit #5 is within the WMA's winter closure area, trapping activity within Trapping Unit #5 will be limited to non-motorized travel-only after December 1. In addition, because Trapping Units #1 - #7 include State School Trust Land, trappers are reminded to obtain a Special Recreational Use License (application deadline September 30) from the Montana Department of Natural Resources and Conservation (DNRC) prior to trapping or snaring on School Trust Lands. All applicants must possess a valid trapper license and, if they wish to trap wolves, a valid wolf trapping certification # to apply for this permit. Applicants must submit their name, address, phone number and ALS number by September 15 to:

Fish Creek WMA
Montana Fish, Wildlife & Parks
3201 Spurgin Road,
Missoula, MT 59804

Mt. Haggin Wildlife Management Area – The Mt. Haggin WMA consists of four (4) trapping units where a quota of four (4) licensed trappers shall be permitted to trap a limit of furbearers and wolves each, including ten (10) beaver. Trappers will be selected by a random drawing. Trappers will be able to select an area to trap in the order that names are drawn. The last trapper selected will be assigned the remaining trapping area. Permission to trap wolves on Mt. Haggin WMA is extended only to those trappers that were successful in the drawing. Note: Because Trapping Unit #4 is within the winter closure area of the WMA (closed to all motorized travel December 2nd – May 15th), trapping activity in this unit will be limited to non-motorized travel only after December 1. In addition, because Trapping Units #3 and #4 include State School Trust Land, trappers are reminded to obtain a Special Recreational Use License (application deadline September 30) from the Montana Department of Natural Resources and Conservation (DNRC) prior to trapping on School Trust Lands. Trappers wishing to take predators must contact Vanna Boccadori for a predator permit. The predator permit is valid for animals classified as predators only (i.e. coyotes)—it does NOT apply to wolves. All applicants must possess a valid trapper license and, if they wish to trap wolves, a valid wolf trapping certification # to apply for this permit. Applicants must submit their name, address, phone number and ALS number by September 15 to:

Vanna Boccadori, Mt. Haggin WMA
Montana Fish, Wildlife & Parks
1820 Meadowlark Lane
Butte, MT 59701

Procedures to Follow Upon Harvesting a Wolf

- The combined maximum hunting and trapping bag limit is five wolves per person during the 2014-15 season. Five wolves can be taken by means of hunting each with a valid wolf license. Trapping is authorized Dec. 15, 2014 - Feb. 28, 2015 with a valid trapping license and upon completion of mandatory wolf-trapping certification. Persons could take up to five wolves via any combination of hunting and trapping (maximum harvest of five wolves per person).
- A hunter must cut out the proper month and date of the kill from the appropriate license and attach it to the hide in a secure and visible manner immediately after killing a wolf. This is "validating" the license.

To properly validate a license, locate the appropriate month and date the animal was killed and completely cut away (notch out) the month and the date designations. Removing more than one month or one date designation invalidates the license.

- Evidence of sex must remain naturally intact on the hide.
- Trappers are required to immediately dispatch any wolf that will not be released unless the trapper is otherwise authorized not to do so by FWP prior to wolf trapping efforts. Trappers will be allowed to dispatch trapped wolves during all hours including night time.
- All successful wolf hunters and trappers must personally report their wolf kill **within 24 hours regardless of their intent to retain possession of the hide and skull** by calling the Wolf Reporting Number at 1 877-FWP-WILD (1-877-397-9453) or 406-444-0356 so that FWP can monitor quota levels. Hunters and trappers are required to provide: name, telephone number, ALS number, species, date of harvest, WMU, specific location (legal description), and sex when reporting a wolf harvest. When reporting a wolf harvest, it is unlawful to subscribe to or make any statement that is materially false.
  - Successful hunters in backcountry areas will be allowed to report a wolf harvest within 24 hours of reaching a trailhead except in WMUs 313 and 316, backcountry areas with a quota, where successful hunters are required to report their harvest within 24 hours of taking a wolf.

Wolf 24-hour Harvest Reporting.....1-877-FWP-WILD (397-9453)
OR 406-444-0356
Wolf Quota Status - 24 hours/day - 7 days/week.....1-800-385-7826
OR 406-444-1989

- A hunter or trapper that legally harvests a wolf and wishes to retain possession of the hide and skull, or incidentally captures a wolf that must be dispatched, is required to personally present the hide and skull to a designated FWP employee **within ten (10) days** after harvest for the purpose of:
  - inspection and registration of kill.
  - verify evidence of sex.
  - tagging the hide. The hide tag must thereafter remain attached to the hide until tanned.
- Any hide or skull not presented or registered to FWP personnel within ten (10) days of harvest is subject to confiscation.
- It is unlawful for anyone to possess, ship, transport, sell or purchase any wild wolf harvested in Montana, or part thereof, unless the animal has been tagged as prescribed.
- A hunter or trapper that legally harvests a wolf and does not wish to retain possession of the hide and skull, is still required to personally present the above harvest information to a designated FWP employee within ten (10) days after harvest.
- Wolves are excluded from being considered as "suitable for food". The remaining carcass may be taken in possession or be left in the field as per Montana law.

Harvest Limits and Quotas

Harvest Limits – The combined maximum hunting and trapping bag limit is five wolves per person during the 2014-15 season. Five wolves can be taken by means of hunting each with a valid wolf license. Trapping is authorized Dec. 15, 2014 - Feb. 28, 2015 with a valid trapping license and upon completion of a mandatory wolf-trapping certification class. Persons could take up to five wolves via a combination of hunting and trapping (maximum harvest of five wolves per person).

Harvest Quotas

- Harvest quotas may be established for each WMU.
- When a hunting season quota is reached in a WMU, the hunting season will close upon a **24-hour** notice, but no later than March 15, 2015, **except that WMUs 313 and 316 will close within 12 hour notice**.
- The Fish & Wildlife Commission has authorized the department to initiate an emergency season closure at any time.

Harvest Quota Status, Closure and Reporting Information

- Wolf harvest quota status information may be obtained:
  - by calling 1-800-385-7826 or 406-444-1989 for statewide information **or,**
  - by checking the FWP website at **fwp.mt.gov**, available 24-hours a day.
  - The toll-free line and FWP website are updated daily by 1 p.m. MST.
- A wolf harvest must be reported within 24 hours by calling 1-877-397-9453 or 406-444-0356. This number is available 24-hours a day. Successful hunters in backcountry areas will be allowed to report a wolf harvest within 24 hours of reaching a trailhead except in WMUs 313 and 316, backcountry areas with a quota, where successful hunters are required to report their harvest within 24 hours of taking a wolf.

Wolf Behavior: Tips and What to Expect

- After the shot, follow the wolf to retrieve and tag it as you would any other big game animal. Wolves aren't known to defend a wounded or harvested wolf pack member. Other wolves may howl, bark, observe, or linger briefly, but will leave the area.
- Wolves are not known to defend their own kills from humans. If you find a wolf-kill be aware of any bear sign and stay vigilant.
- Though curious, wolves rarely pose a threat to human safety. Risk factors are primarily habituation (loss of fear), food conditioning, or domestic dogs. Keep a clean camp as you would if hunting in bear country by securing all food and game meat from wolves and other scavengers. Pack out all garbage so the area will be safe for you and other recreationists in the future.

Common Sense Precautions When Field-Dressing or Skinning Big Game

- To minimize risk of disease or parasite transmission to humans, follow these proper ways to handle wild meat, carcasses and hides:
- Wear rubber (latex) gloves when field dressing or skinning game.
- Minimize contact with animal fluids, brain, spinal tissues and feces.
- Wash hands and instruments thoroughly after field dressing or processing.
- Cook all meat until well done before consuming.
- To minimize risk of disease or parasite transmission to your domestic dog, prevent consumption of big game viscera.

Hunting Tips: Some Things You Should Know

- Know your target. A full sized adult wolf is about 2.5 feet tall, 5-6 feet long, and 70-120 pounds. Adult males are heavier and usually a little larger than adult females. By early fall, a young wolf is almost as tall as an adult, but weighs 10-30 pounds less and appears lanky.
- Compared to a coyote, a wolf is bulky, massive and long-legged, with a broad snout, round ears and fur ranging from gray, black or tan to white.
- Experts suggest you use a center fire rifle suitable for big game.
- Wolves may travel on roads and trails; look for tracks and scat.
- Wolves communicate with each other via howls and other sounds. If you howl at the right time, you might draw in a wolf.
- Alert deer and elk may signal a wolf nearby. Look for movement and pay attention.

Wolf Hunting and Trapping Seasons

The combined maximum hunting and trapping bag limit is five wolves per person during the 2014-15 season. Five wolves can be taken by means of hunting each with a valid wolf license. Trapping is authorized Dec. 15, 2014 - Feb. 28, 2015 with a valid trapping license and upon completion of a mandatory wolf-trapping certification class. Persons could take a combination of up to five wolves via hunting and/or trapping—with a maximum harvest of five wolves per person.

Archery Only Season – September 6 - September 14, 2014

- Resident and nonresident hunters may harvest any wolf in any open WMU statewide during the archery only season.
- A bow and arrow license, plus the proper hunting license, is required to hunt wolf during the archery only season.
- The archery only season for wolf will close:
  - with the end of the archery only season or,
  - when one wolf is taken in a WMU with a harvest quota of less than five wolves (WMUs 110, 313 and 316).

General Season – September 15 - March 15, 2015

- Resident and nonresident hunters may harvest any wolf in any open WMU statewide during the general season.
- A wolf license is required to hunt each wolf during the general season.

Trapping Season – December 15 - February 28, 2015

- Resident and nonresident trappers may trap any wolf in any open WMU statewide during the trapping season.
- A trapping license is required to trap wolf during the trapping season.
- A person must attend a wolf trapping certification class before setting any trap for a wolf. Completion of either the Idaho or Montana wolf trapping certification class will be recognized as meeting this requirement. A certification card will be awarded to those completing the Montana trapping certification session. This certification must be in possession of any person setting wolf traps and/or harvesting a wolf by trap.

Wolf Management Unit (WMU) Legal Descriptions

WMU 100 Purcell: That portion of Lincoln County lying within the following-described boundary: Beginning where the Montana- Idaho-Canadian border meets at the northwest corner of Montana, then easterly along the Canadian border to the east shore of Lake Koocanusa (Kootenai River), then southerly along said shore to Libby Dam and the east shore of the Kootenai River, then southerly along and westerly along said shore of the Kootenai River to US Highway 2 in Libby, then southerly and easterly along said highway to USFS Road 9991 between Upper and Lower Thompson Lakes, then southerly along said road to USFS Road 6769, then southerly and westerly along said road to the hydrologic divide, T26N, R27W,S30, then first south, then generally west and north along said county line to the Montana-Idaho border, then northerly along said border to where the Montana-Idaho-Canadian border meets, the point of the beginning.

WMU 101 Salish: Those portions of Lincoln and Flathead Counties lying within the following-described boundary: Beginning where the east shore of Lake Koocanusa and the Canadian border meet, then easterly along said border to the Whitefish Divide, T37N, R24W,S4, then southerly along said divide to the top of Big Mountain and the head of Canyon Creek, then down Canyon Creek to the North Fork of the Flathead River, then southerly along said river to the Flathead River, then westerly along said river to US Highway 2, then westerly along said highway to 12th Avenue West, Columbia Falls, then northerly to Tamarack Lane, then westerly to East Edgewood Drive and continue westerly to East 2nd Street, Whitefish, then south and westerly to US Highway 93, then west and northerly along said highway to Farm-to-Market Road, then southerly along said road to West Spring Creek Road across US highway 2 on to Dern Road then east on Whalebone Drive to Foys Lake Road, then southerly along said highway to the Somers Fishing Access Site and the north shore of Flathead Lake, then west and southerly along said shore to the Flathead Indian Reservation Boundary, then west along said boundary to USFS Trail 290, then westerly along said trail to USFS Trail 132, then westerly along said trail to USFS Trail 137 and Schroeder Creek Road to the Thompson River County Road, then northerly long said road to US Highway 2, then westerly along said highway to the south shore of the Kootenai River in Libby, then easterly and northerly along said shore to Libby Dam and the east shore of Lake Koocanusa (Kootenai River), then northerly along said shore to the Canadian border, the point of the beginning.

WMU 110 North Fork: Those portions of Lincoln and Flathead Counties lying within the following-described boundary: Beginning on the U.S./British Columbia border west of Frozen Lake, proceeding southerly along the Whitefish Divide to the top of Big Mountain, then proceeding easterly from the top of Big Mountain down Canyon Creek to the North Fork of the Flathead River, then northerly up the middle of the North Fork of the Flathead River to the U.S./British Columbia border, then westerly along the U.S./British Columbia border to the Whitefish Divide, the point of beginning.

WMU 121 Lower Clark Fork North: Those portions of Lincoln and Flathead Counties lying within the following-described boundary: Beginning where the Sanders-Lincoln County line intersects the Idaho border, then easterly along said county boundary line through Silver Butte Pass, Willow Creek Pass and Davis Peak to USFS Road 6769, T26N, R28W, S12, then northeasterly along said road to US Highway 2, then easterly along said highway to the Thompson River County Road, then southerly along said road to the Schroeder Creek Road and USFS Trail 137, then easterly along said road and trail to USFS Trail 132, then southeasterly to USFS Tail 290, then along said trail to the Flathead Indian Reservation Boundary, then southerly along said boundary to the Sanders County line, then westerly along said line to the Clark Fork-Ninemile Divide, then westerly along said divide to USFS Trail 242, then northerly along said trail to the Clark Fork River, Then southwesterly up said river to USFS Trail 1714, then northerly along said trail to USFS Road 7592, then north and westerly along said trail through Compest Peak to the Mineral-Sanders County line, then westerly along said line to the Montana-Idaho border, then northwesterly along said border to the Sanders-Lincoln County line, the point of beginning.

WMU 130 Flathead-Swan: Those portions of Flathead, Lake, and Missoula Counties lying within the following-described boundary: Beginning where US Highway 93 and Farm-to-Market Road meet northwest of Whitefish, then southerly along Farm-to-Market Road to West Spring Creek Road across US Highway 2 on to Dern Road then east on Whalebone Drive to Foys Lake Road, then southerly along said highway to the Somers Fishing Access Site and the north shore of Flathead Lake, then easterly and southerly along said shore to the Flathead Indian Reservation boundary, then easterly and southerly along said boundary to the Clearwater River/Swan River Divide, Section 27, T18N, R17W, then northeasterly along said divide (Flathead NF/Lolo NF boundary) to the Swan Divide at Wolverine Peak, then northerly along said divide to Inspiration Point and the Middle Fork Creek/Inspiration Creek Divide, then northeasterly along said creek divide to USFS Trail 218, then easterly along said trail to USFS Trail 226 (Picture Peak Trail), then easterly along said trail to USFS Trail 107 near Picture Peak, then northerly along said trail to the south side of Sarah Peak, then easterly along the main creek to the South Fork Flathead River and the mouth of Mid Creek/USFS Trail 103, then northeasterly along said trail to USFS Trail 89 at Mid Mtn., then easterly and northerly along said trail to USFS Trail 83 (near Silvertip Cabin), then northwesterly along said trail to USFS Trail 43, then northwesterly along said trail to USFS Trail 327 east of Whitcomb Peak, then northwesterly along said trail to USFS Trail 81, then northerly along said trail to USFS Trail 155, then easterly along said trail to USFS Trail 154, then northeasterly along said trail to USFS Trail 179, then northeasterly and northerly along said trail to the Continental Divide (east of Big Lodge Mountain), then northerly along said divide to the Glacier National Park Boundary (near Marias Pass), then southwesterly and northwesterly along said boundary to where the Middle Fork and the North Fork of the Flathead River meets to form the Flathead River, then westerly along said river to US Highway 2, then westerly along said highway to 12th Avenue West, Columbia Falls, then northerly to Tamarack Lane, then westerly to East Edgewood Drive and continue westerly to East 2nd Street, Whitefish, then south and westerly to US Highway 93, then west and northerly along said highway to Farm-to-Market Road, the point of beginning.

WMU 150 Bob Marshall: Those portions of Flathead, Missoula, Powell and Lewis and Clark Counties lying within the following described boundary: Beginning at Inspiration Point on the Swan Divide and the Middle Fork Creek/ Inspiration Creek Divide, then Northeasterly along said creek divide to USFS Trail 218, then easterly along said trail to USFS Trail 226 (Picture Peak Trail), then easterly along said trail to USFS Trail 107 near Picture Peak, then northerly along said trail to the south side of Sarah Peak, then easterly along the main creek to the South Fork Flathead River and the mouth of Mid Creek/USFS Trail 103, then northeasterly along said trail to USFS Trail 89 at Mid Mtn., then easterly and northerly along said trail to USFS Trail 83 (near Silvertip Cabin), then northwesterly along said trail to USFS Trail 43, then northwesterly along said trail to USFS Trail 327 east of Whitcomb Peak, then northwesterly along said trail to USFS Trail 81, then northerly along said trail to USFS Trail 155, then easterly along said trail to USFS Trail 154, then northeasterly along said trail to USFS Trail 179, then northeasterly and northerly along said trail to the Continental Divide (east of Big Lodge Mountain), then Southerly along said divide to the Lolo NF/ Flathead NF Boundary at Triple Divide Peak, then westerly along said boundary to the Swan Divide at Wolverine Peak, then northerly along said divide to Inspiration Point, the point of beginning.

WMU 200 Lower Clark Fork South: Those portions of Mineral, Sanders and Missoula Counties lying within the following-described boundary: Beginning at the Flathead Indian Reservation Boundary near Evaro, then south along US Highway 93 to its junction with Interstate 90, then northwesterly along said interstate to the first bridge over Clark Fork River west of Frenchtown (second bridge east of Alberton), then easterly along the west and south side of said river to the old Harpers Bridge and County Road 30 (Big Flat Road), then southerly along said road to its junction with the Blue Mountain Road, then south along said road to its junction with US Highway 93, then south along said highway to Lolo, then westerly along US Highway 12 to the Montana-Idaho border (Lolo Pass), then northwest along said border to Lookout Pass, then northerly along said border to the Mineral-Sanders County line, then in an easterly and southerly direction along said county line (C-C Divide) to USFS Trail 404 near Combest Peak, then easterly on said trail to the Miller Creek Loop USFS Road 7592, then easterly along said road to its junction with USFS Trail 415, then easterly on said trail to its junction with USFS Trail 1714, then southerly on said trail to the Clark Fork River, then easterly along said river downstream to Cascade Campground, then south along USFS Trail 242 to Ninemile-Seigel Creek Divide (Sanders-Mineral County Line), then easterly along said divide crossing Seigel Pass to the Flathead Indian Reservation Boundary, then southeasterly along said reservation boundary and divide to Evaro, the point of beginning.

WMU 210 Bitterroot/Upper Clark Fork: Those portions of Granite, Powell, Deer Lodge, and Silver Bow Counties lying within the following described boundary: Beginning at the Rock Creek Interchange on Interstate Highway 90 (I-90), then easterly along I-90 to its junction with US Highway 12 at Garrison, then east along said highway to the Continental Divide at MacDonald Pass, then southerly along said divide to Interstate Highway 15 (I-15) at Elk Park Pass, then south along I-15 to its junction with I-90, then west along I-90 to its junction with I-15 (west of Rocker), then south on I-15 to USFS Road 96 (Divide Creek Road), then westerly along said road to Fleecer Ridge, then northerly along said ridge to the Continental Divide at Burnt Mountain, then westerly along said divide to

the head of American Creek, then northwesterly down said creek to State Route 274, then northerly along said route to the Continental Divide, then westerly along said divide to the Rock Creek-Bitterroot River Divide at West Pintler Peak, then northerly along said divide to USFS Trail 215, then east along said trail to Eagle Creek Cable Crossing and Rock Creek Road, then north along said road to the Rock Creek Interchange on I- 90, the point of beginning.

WMU 250 West Fork Bitterroot: Those portions of Ravalli, Missoula and Granite Counties lying within the following described boundary: Beginning at the Montana/Idaho border on US Highway 93 at Lost Trail Pass, then southwesterly, northerly and westerly along said border to US Highway 12 at Lolo Pass, then easterly along said highway to its junction with US Highway 93 at Lolo, then north on said highway to the Blue Mountain Road, then northwesterly along said road to Big Flat Road, then northwesterly along said road to Deep Creek* then east down said creek to the west shoreline of the Clark Fork River, then northerly and westerly down said shoreline to the first Interstate Highway 90 bridge west of the Ninemile Interchange, then southeasterly along said highway to the Rock Creek Interchange, then south along Rock Creek Road to Eagle Creek Cable Crossing, then west on USFS Trail 215 to the Rock Creek-Bitterroot River Divide, then southerly along said divide to the Continental Divide (at West Pintler Peak), then southwesterly along said divide to the Montana-Idaho border, then westerly long said border to US Highway 93, the point of beginning.

WMU 280 North Blackfoot: Those portions of Powell and Lewis and Clark Counties lying within the following-described boundary: Beginning on Monture Creek Trail 27 at its junction with Falls Creek Trail 16, then north along Monture Creek Trail 27 to Center Creek Trail 463, then west along said trail to Center Creek Trail 246, then west along said trail to Youngs Pass and the Flathead-Blackfoot Divide, then northeast along said Divide to Triple Divide Mountain and the Continental Divide, then southeasterly along said Divide to Falls Creek (of the Landers Fork of the Blackfoot River), then southwest along said creek to the Sanders Fork, then up said river to Heart Lake Trail 478, then southerly along said trail to its intersection with Trail 481 at Heart Lake, then westerly along Trail 481 to Red Mountain-Ringeye Creek Trail 423, then southwesterly along said trail to Red Mountain, then southwesterly along the Scapegoat Wilderness Boundary (divide between Copper and Beaver Creeks on the south and East Fork of North Fork Blackfoot River on the north) to Arrastra Mountain then northwest along Scapegoat Wilderness Boundary to Windy Pass Trail 484, then southwesterly along said trail to the Bear Creek North Fork Blackfoot Trail 17, then northwesterly along said trail to its intersection with North Fork Blackfoot Trail 32, then southwesterly along said trail to North Fork Blackfoot Trailhead and Lake Creek Trail 61, then northwest along said trail to its junction with Trail 16 near Lake Otatsy, then northwesterly along said trail through Camp Pass to Monture Creek Trail 27, the point of beginning.

WMU 290 Blackfoot: Those portions of Granite, Lewis and Clark, Missoula and Powell Counties lying within the following-described boundary: Beginning at Missoula, then northwest along Interstate 90 to US Highway 93, then north on said highway to the Flathead Indian Reservation boundary near Evaro, then northeast and north along said boundary to the Swan-Clearwater Divide, then northeast along said divide, crossing State Route 83 to Wolverine Peak, then southeast along the Flathead-Blackfoot River Divide to USFS Trail 246 (Youngs Pass), then east along said trail to Center Creek Trail 463, then east along said trail to Monture Creek Trail 27, then south on Monture Creek Trail 27 to Falls Creek Trail 16, then easterly along said trail through Camp Pass to Lake Creek Trail 61 near Lake Otatsy, then southeasterly along said trail to the North Fork Blackfoot Trailhead, then north on North Fork Blackfoot Trail 32 to Bear Creek-Northfork Blackfoot Trail 17, then southeasterly along said trail to its intersection with Windy Pass Trail 484, then northeasterly, along said trail to Windy Pass, then southeasterly along the Scapegoat Wilderness Boundary to Arrastra Mountain, then northeasterly along Scapegoat Wilderness Boundary to Red Mountain, then northeasterly on Red Mountain-Ringeye Creek Trail 423 to its junction with Webb Lake Trail 481, then east along said trail to its junction with Heart Lake-Bighorn Creek Trail 478 near Heart Lake, then north along said trail to Landers Fork River, then southeasterly along said river to Falls Creek (of the Landers Fork River), then northeasterly along said creek to the Continental Divide, the southeast along said divide to Rogers Pass and the Continental Divide, then south along said divide to MacDonald Pass, then west along US Highway 12 to its junction with Interstate 90 at Garrison, then west on said interstate to Missoula, the point of beginning.

WMU 310 Gallatin-Madison: Those portions of Gallatin, Madison and Park counties within the following boundary. Beginning at the Montana-Idaho border at Raynolds Pass, then northerly along Highway 87 to the junction with Highway 287, then northerly along Highway 287 to the junction with Interstate 90 at Three Forks, then easterly along Interstate 90 to the Meadow Creek Road, then southerly along the Meadow Creek Road to the Goose Creek Road, then southerly along the Goose Creek Road to the Gallatin- Yellowstone Divide near the Old Cooper Reservoir, then south along the Gallatin-Yellowstone Divide to the Yellowstone National Park boundary, then westerly and southerly along the Yellowstone National Park boundary to the Montana-Idaho border, then northwesterly along the Montana-Idaho border to Raynolds Pass, the point of beginning.

WMU 313 Gardiner: Those portions of Park county lying within the following described boundary: beginning at the intersection of the Cottonwood-Hellroaring Creek divide and Yellowstone National Park Boundary, then westerly along said boundary to USFS trail #106, then northeasterly along said trail to the head of Mill Creek, then northeasterly along said creek to Cinnabar Creek, then easterly along said creek to the Yellowstone River, then northerly along said river to Cedar Creek, and then easterly along said creek to USFS trail #72 at the head of Cedar Creek, then easterly along said trail to the Cedar-Bear Creek Divide, then easterly along said divide to Monitor Peak, then southeasterly along the Mill-Hellroaring-Bear Creek divide to Ash Mountain, then southerly along Crevice-Hellroaring Creek divide and Cottonwood-Hellroaring Creek divide to the Yellowstone National Park Boundary, the point of the beginning.

WMU 316 Absaroka: Those portions of Carbon, Sweet Grass and Park Counties lying within the following-described boundary: Beginning at the junction of the Montana-Wyoming border and the Custer-Gallatin National Forest boundary southeast of Albino Lake, then northerly and westerly along said boundary to Granite Mountain, then north one-half mile to the Stillwater County Line, then west along said county line to the Custer-Gallatin National Forest Boundary near Timberline Mountain, then northerly along said boundary to the Slough Creek-Boulder River Divide near Columbine Pass, then southwesterly along the Boulder River-Slough Creek Divide and northwesterly along the Boulder River-Buffalo Fork Divide and the Hellroaring Creek-Boulder River Divide to the Hellroaring-Mill Creeks Divide near Crow Mountain, then southwesterly along the Mill-Hellroaring Creeks Divide to the Bear-Hellroaring Creeks Divide to Ash Mountain, then southerly along the Crevice-Hellroaring Creeks Divide to the Crevice-Cottonwood Creeks Divide, then southerly along the Crevice-Cottonwood Creeks Divide to the Yellowstone National Park Boundary, then easterly and southerly along said boundary to the Montana-Wyoming border, then easterly along said border to the Custer-Gallatin National Forest boundary southeast of Albino Lake, the point of beginning. WMU316 encompasses deer/elk hunting district 316.

WMU 320 Highlands-Tobacco Roots-Gravelly-Snowcrest: Those portions of Beaverhead, Broadwater, Gallatin, Jefferson, Madison and Silver Bow counties within the following boundary. Beginning at the Montana-Idaho border at Monida Pass, then northerly along Interstate 15 to the junction with Interstate 90 at Rocker, then easterly along Interstate 90 to the junction with Highway 287 at Three Forks, then southerly along Highway 287 to the junction with Highway 87, then southerly along Highway 87 to the Montana-Idaho border at Raynolds Pass, then westerly along the Montana-Idaho border to Monida Pass, the point of beginning.

WMU 330 Big Hole/Tendoys: Those portions of Silver Bow, Beaverhead, and Deer Lodge Counties lying within the following described boundary: Beginning at the junction of USFS Road 96 (Divide Creek Road) and Interstate Highway 15 (I-15, south of Rocker), then southerly along said highway to the Montana/Idaho border (Continental Divide), then west and northerly along said border/divide to its junction with the boundary between Ravalli and Beaverhead counties (in Sec 3, T2S, R19W), then continuing northeasterly along said divide to State Route 274, then southerly along said route to American Creek, then southeasterly up said creek to its head at the Continental Divide, then easterly along said divide to Fleecer Ridge at Burnt Mountain, then southerly along said ridge to USFS Road 96, then easterly along said road to its junction with I-15, the point of beginning.

WMU 390 South Central Montana: Those portions of Silverbow, Jefferson, Lewis & Clark, Cascade, Meagher, Gallatin, Park, Judith Basin, Wheatland, Sweet Grass, Stillwater, Carbon, Golden Valley, Fergus, Petroleum, Musselshell, Yellowstone, Big Horn, Treasure, Rosebud, Garfield, McCone, Prairie, Custer, Powder River, Carter, Fallon, Wibaux, Dawson and Richland Counties within the following boundary. Beginning at the junction of Interstate 90 and Interstate 15 at Butte, then northerly along Interstate 15 to the Continental Divide at Elk Park Pass, then northerly along the Continental Divide to the North Fork of Lyons Creek (northwest of Flesher Pass), then southeasterly down said creek to Interstate 15, then northeasterly along said interstate to the junction with Highway 200, then easterly along said highway to the Montana-North Dakota border, then southerly along said border to the Montana-South Dakota border, then southerly along said border to the Montana-Wyoming border, then westerly along said border to the Custer-Gallatin National Forest boundary southeast of Albino Lake, then northerly and westerly along said boundary to Granite Mountain, then north one-half mile to the Stillwater County Line, then west along said county line to the Custer-Gallatin National Forest Boundary near Timberline Mountain, then northerly along said boundary to the Slough Creek-Boulder River Divide near Columbine Pass, then southwesterly along the Boulder River-Slough Creek Divide and northwesterly along the Boulder River-Buffalo Fork Divide and the Hellroaring Creek-Boulder River Divide to the Hellroaring-Mill Creek Divide near Crow Mountain, then southwesterly along the Mill-Hellroaring Creeks Divide to the Bear-Hellroaring divide, then westerly along the Mill - Bear Creeks Divide to Monitor Peak, then westerly along the Cedar-Bear Creek Divide to USFS trail #72, then southwesterly along said trail to the head of Cedar Creek, then westerly along Cedar Creek to the Yellowstone River, southerly along said river to Cinnabar Creek, then westerly along said creek to Mill Creek, then southwesterly along said creek to USFS trail #106 westerly to the Yellowstone National Park boundary on the Yellowstone-Gallatin River Divide, then northerly along said divide to the Goose Creek Road, then northwesterly along said road to Meadow Creek Road (west of Livingston), then westerly along said road to Interstate 90, then westerly along said interstate to Butte, the point of beginning. WMU 390 encompasses deer/elk hunting districts 309 (north of I-90), 312, (a portion of) 313, 314, 315, 317, 318, 335, 339, 343, 350, 370, 380, 388, 390, 391,392, and 393 AND all of Region 5, all of Region 7 south of US Hwy 200 and a portion of Region 4 south of US Hwy 200 and east of I-15.

WMU 400 North Central Montana WMU 400 North Central Montana: Those portions of Glacier, Pondera, Teton, Lewis and Clark, Cascade, Chouteau, Judith Basin, Toole, Liberty, Hill, Blaine, Fergus, Petroleum, Phillips, Valley, Garfield, McCone, Richland, Roosevelt, Sheridan, Daniels and Dawson counties within the following described boundary: beginning at the intersection of Interstate Highway 15 and State Highway 200 near Great Falls, then easterly along Highway 200 to the Montana - North Dakota border, then northerly along said border to the Montana Â¿ Canada border, then westerly along the Montana Â¿ Canada border to its intersection with the continental divide in Glacier National Park, then southerly along said continental divide, through Rogers Pass, to the North Fork of Lyons Creek, then southeasterly down Lyons Creek to Interstate Highway 15, then northerly along Interstate Highway 15 to its intersection with State Highway 200 near Great Falls, the point of beginning.

Restricted Area Legal Descriptions

BNSF right-of-way from Marias Pass to the Java Creek Bridge: The BNSF right-of-way from Marias Pass to the Java Creek Bridge is closed to hunting.

Brinkman Game Preserve: The S1/2 Section 7, and E1/2, NE1/4 Section 7, and S1/2 Section 8, and NW 1/4 Section 8, S1/2 Section 9, S1/2 and E1/2, NE 1/4 Section 10. All of sections 11, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 25, 26, 27, 28, 29, 35, 36; all in T29N, R7E, M.P.M. Liberty County.

Flathead Weapons Restricted Area: Area is restricted to archery, shotgun, traditional handgun, muzzleloader, or crossbow only. That PORTION of Flathead County lying within the following-described boundary: Beginning at the junction of State Route 35 and State Route 206, then northerly along State Route 206 to US Highway 2, then westerly along said highway onto State Route 40 to US Highway 93, then south on said Highway to Rocky Cliff Drive, then easterly to Demersville Road, then northerly along said road to Foys Bend Lane, then easterly along said road onto Lower Valley Road to the Bonneville Power Administration powerline at Foys Bend, then northerly along said powerline across the Flathead River to the easterly shore, then up the most easterly shore of said river to State Route 35 (Old Highway 2 bridge), then easterly along said route to its junction with State Route 206, the point of the beginning.

Fort Peck Dam Site: Those portions of Hunting District 630 and Valley County lying within the following described boundary: Beginning at the junction of the Valley McCone County line and State Route 24, then northerly along said county line to Yellowstone Road at the base of Fort Peck Dam, then north and west along said road to State Route 117, then south and west along said route to State Route 24, then easterly along said route to the Valley McCone county line, the point of beginning. Certain areas within the outside boundary of the hunting area shall be closed to hunting as posted including the Fort Peck townsite.

Freezeout Lake Wildlife Management Area, Teton County: As posted.

Gallatin Valley Weapons Restriction Area: Beginning at the intersection of Cottonwood Road and Enders Road, continuing southeast from that intersection along Cottonwood Road, north to South 19th, then east on South 19th to Nash Road, then east on Nash Road to Sourdough Canyon Road, then south on Sourdough Canyon Road, to the national forest boundary, then east along said boundary to boundary of State Lands Sections 4, 3, 34, 35 and 1 to Bear Canyon Road, then northerly on Bear Canyon Road to the Bear Canyon Interchange with Interstate 90, then northerly to Rocky Creek, northwesterly along Rocky Creek to L Street, then north on L Street to Story Mill Road, then north on Story Mill Road to Deer Creek Drive, northeast on Deer Creek Drive to Lookfar Way, north on Lookfar Way to Rolling Hills Drive, north on Rolling Hills Drive to Sypes Canyon Road, northwesterly on Sypes Canyon Road to Summer Cuttoff Road, then Saddle Mountain Road, then east on Saddle Mountain Road to Bostwick Road, then north along Bostwick Road to Baseline East Road, then west on Baseline East Road to Walker Road, then north on Walker Road to Penwell Bridge Road, then west on Penwell Bridge Road to Wes Davis Road, then north and west on Wes Davis Road to Hamilton Road, then west and north on Hamilton Road to Cactus Road, then west on Cactus Road to Highway 290, then south on Highway 290 to Weaver Road, then west on Weaver Road to Highway 10, then northwesterly on Highway 10 to Heeb Road, then south on Heeb Road to Amsterdam Road, east on Amsterdan Road, to Linney Road, south on Linney Road to Cameron Bridge Road, then east on Cameron Bridge Road to River Road, then south on River Road to Highway 84, then east on Highway 84 to Shedds Bridge, then south up western most channel of the Gallatin River to Gallatin Gateway Bridge, then east on Gallatin Gateway Road to US Highway 191, then south on US Highway 191 to Cottonwood Road, to point of beginning.

NOTE: Sourdough Exclusion Zone from SWRA within HD 309: Beginning at the intersection of Nash and Sourdough Canyon Road, then south on Sourdough Canyon Road to the USFS boundary, then east, north and east along said boundary in Section 8, then along said boundary in Section 8 to the intersection with State Lands in Section 9, then north along the section line of Sections 4 and 5, then west along section line of Sections 5 and 32 to the intersection with Sourdough Road, then south on Sourdough Road, then west on Nash Road, the point of beginning.

Gates of the Mountains Game Preserve: Beginning in Section 2, T12N, R3W at the southeast corner of Upper Holter Lake, then proceeding westerly along the northern shoreline of Upper Holter Lake in the Gates of the Mountains area located in Lewis and Clark County, then northerly along Stoney Point Beacon Road, then northerly along the powerline to said beacon, then along Bulldozer Road to the point of the ridge in Section 23, T13 N, R3W, then northerly to the Missouri River, then easterly across said river and lake to the USFS boundary to the wilderness boundary, then south along wilderness boundary to the southeast corner of Section 1, T12N, R3W, then west back to Upper Holter Lake, the point of beginning. Intending hereby to include in said game preserve all the territory adjacent of the Gates of the Mountains area, shall be called and known as the Gates of the Mountains Game Preserve.

Grant Kohrs Ranch: Closed to all hunting.

Helena Valley Regulating Reservoir: The Bureau of Reclamation Regulating Reservoir located in Sections 4, 5, 8, 9, 16 and 17, T10N, R2W in Lewis and Clark County of the Helena Valley as posted. (This area will be open to hunting until the opening of the waterfowl season, then it will be closed to all hunting.)

Kuhns Wildlife Management Area: Legal description and map available from FWP Region 1, Kalispell office 406-752-5501.

Lee Metcalf Refuge: Legal description, map and regulations available from the Lee Metcalf Refuge, 406-777-5552.

Poindexter Slough Area south of Dillon: Sections 26, 27, 34, and 35, T7S, R9W.

Prickly Pear Valley Weapons Restriction Area: Those portions of Lewis and Clark and Jefferson Counties lying within the following-described boundary: Beginning at the north end of the split median of Interstate 15, on the north boundary of Section 31, T12N, R3W, then southerly along Interstate 15 for approximately two miles to the north boundary of Section 5, T11N, R3W, then east along the north boundary of Sections 5 and 4 to Collins Drive, then south along Collins Drive to its junction with Snowdrift Road, then easterly along Snowdrift Road until Snowdrift Road becomes Mountain Meadows Road, then easterly along Mountain Meadows Road to a junction with Countryside Road, then southeasterly along Countryside Road to Hauser Lake, then southerly along the western shore of said lake and across the entrance of the Causeway Arm, then southerly along the south shore of the Causeway Arm to the Causeway and Lake Helena Drive, then southerly along said drive to US Highway 12-287, then westerly along US Highway 12-287 to Route 518 at East Helena, then southerly along said route to the junction with Interstate 15, then across Interstate 15 to Montana City and the Jackson Creek Road, then westerly along the Jackson Creek Road to its junction with the Clark Gulch Road, then west along said route to its junction with the Holmes Gulch Road then westerly along said route to the national forest boundary, then northerly along the national forest boundary along the west edge of Sections 7 and 6, T9N, R3W, then west along the south boundary of Section 36, then north along the west boundary of Section 36, then west along the south boundary of Section 26, then north along the west boundary of Section 26 to LeGrande Cannon Boulevard, then in a westerly and northerly direction along LeGrande Cannon Boulevard to US Highway 12, then across US Highway 12 onto County Route 602 (also known as Williams Street and then the Birdseye Road), then northerly along said route to State Highway 279, then easterly along State Highway 279 to its junction with Lone Mountain Road, then northerly along said road for two miles to the junction with Woodland Hills Road, then east on said road to Green Meadow Road, then north on said road to the southwest corner of Section 36, then east along the south boundary of Section 36, then north along the east boundary of Section 36, then east along the north boundary of Section 31 to its intersection with Interstate 15, the point of beginning.

Prison Ranch Archery Only Area: The following MCE Ranch lands are open to hunting of big game only with Lawful Archery Equipment as outlined in the hunting regulations provided by Montana FWP: Beginning at the junction of the Old Stage Road (county road) and Elk Ridge Road (Forest Service Road 5149) in Section 22, T8N, R10W and proceeding west along the Elk Ridge Road to the power line road (prison fence line) in the southeast 1/4 of Section 22, T8N, R10W, then south along the power line road (prison fence line) to the southwest corner of the prison fence in Section 28, T7N, R10 W, then east along the south boundary Section 28, T7N, R10W (prison fence line) to the southwest corner of Section 27, T7N, R10W, then south to the southwest corner of Section 34, T7N, R10W, then east to the southeast corner of Section 34, T7N R10W, then south to the southwest corner of Section 2, T6N, R10W, then east along the prison fence line to the Dempsey Lake Road (county road), then northeasterly along Dempsey Lake Road (prison fence line) to the southeast corner of Section 36 T7N R10W, then north along the prison fence line on east edge of Section 36 and 25, T7N, R10W to corner of the prison fence line in Section 25, T7N, R10W, then east along prison fence line in N2 Section 30, T7N, R9W to the corner of the prison fence line at Lake Hill Road (county road); then north approx. 1/2 mile along the east side of Sections 30 and 19, T7N, R9W to the corner of prison fence line on the eastern edge of Section 19, T7N, R9W, then follow the prison fence west and northerly in Sections 19 and 18 T7N R9W to the northeast corner of Section 18, T7N, R9W, then follow the prison fence east approx. 1/2 mile along the southern boundary of Section 8, T7N, R9W, then follow the prison fence north approx. 1/2 mile to the junction of the airport fence, then proceeding northwesterly, follow the fence bordering the airport, golf course and National Guard Armory through sections 8, 5 and 6, T7N, R9W to the Old Stage Road (county road), then follow the Old Stage Road northwest through Sections 36, 26, and 22, T8N, R10W to the junction of the Elk Ridge Road (USFS Road 5149), the point of beginning.

Seeley Lake Game Preserve: Closed to all hunting. That PORTION of Missoula County lying within the following-described boundary: Beginning at a point where US Forest Service land and private land meet next to Boy Scout Road in Section 20, T17N, R15W, then east on the boundary between US Forest Service and private land, then north on same boundary to the section line between Sections 17 and 20, then east on said section line and east on north line of Section 21, T17N, R15W to State Route 83, then south on State Route 83 to Riverview Drive in Section 3, T16N, R15W, then west on Riverview Drive to Snowmass Drive in Section 9, T16N, R15W, then north on Snowmass Drive to section line between Sections 4 and 5, T16N, R15W, then north on said section line to Clearwater River, then north along west shore of Clearwater River to Boy Scout Road in Section 33, T17N, R15W, then west and north on said road to where USFS land and private land meet next to Boy Scout Road in Section 20, T17N, R15W, the point of beginning.

Slippery Ann Elk Viewing Area: The Slippery Ann Elk Viewing Area is closed to all hunting: portions of Section 36, T22N, R24E and Sections 31 and 32, T22N, R25E, as posted.

Townsend Weapon Restriction Area: Beginning at the intersection of US Highway 12 and Route 284 then northerly along said route to its intersection with Riley Road, then west along said road to the Canyon Ferry Wildlife Management Area boundary fence as signed, then northerly and westerly along said boundary fence to the end of said boundary fence in Section 28, T8N, R2E, near Canyon Ferry Reservoir, then westerly across said reservoir to Hahn Road, then westerly along said road to US Highway 287, then south along said highway to its intersection with the Kimber Gulch Road, then westerly along said road to its intersection with the railroad tracks, then southerly along said railroad tracks to their intersection with Springville Lane, then westerly and southerly along said lane to its intersection with the Indian Creek Road, then southerly along the west boundary of Sections 25 and 36 in T7N, R1E to the SW corner of Section 36, then easterly along the southern boundary of Section 36 and easterly along the southern boundary of Section 31 in T7N, R2E to its intersection with US Highway 287, then southeasterly along said highway to its intersection with Lower Deep Creek Road, then easterly along said road to its intersection with Jack Farm Road, then northwesterly along said road to its intersection with Cemetery Road, then east and north along said road to its intersection with US Highway 12, then east along said highway to its intersection with Route 284, the point of beginning.

Yellowstone River Islands restricted to ArchEquip Only: Islands in the Yellowstone River between the East Park Street Bridge at Livingston and one mile downstream of US Highway 89.

Wolf Parasites

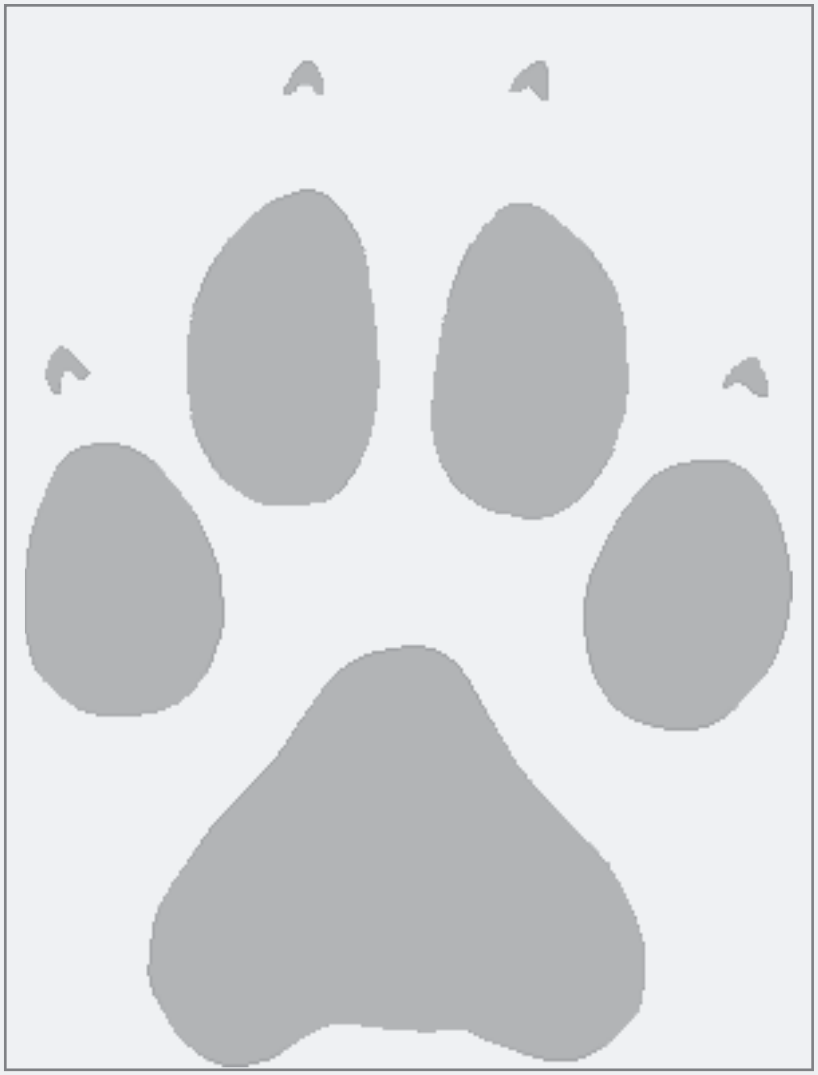
Mange

- Some wolves have mange – a skin parasite that results in the loss of fur on the wolf. In mild cases, the wolf can lose hair on its tail, lower belly, or the lower parts of its legs. In severe cases, a wolf can lose hair across a large part of its body. Hunters can visually scan a wolf to see if it shows signs of hair loss. If it does, you may choose to not take the animal, as its fur will likely not be in prime condition for tanning. If you shoot a wolf that does show signs of mange, tag the animal and report the kill to FWP. You may be issued another wolf license.

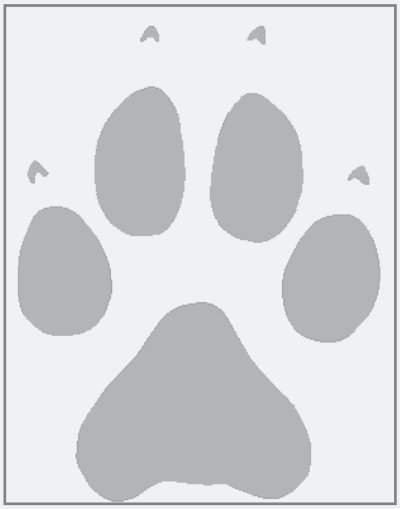
Tape Worm

- Wolves commonly carry tapeworm in their intestinal tract called Echinococcus granulosus. There is some risk of humans becoming infected with this parasite.
- Hunters should wear gloves when field dressing a wolf, coyote, or fox carcass, and wash hands and forearms thoroughly, since they may have come into contact with contaminated feces or fur. When skinning any animal, use common sense precautions: wear rubber (latex) gloves, minimize contact with animal fluids, brain and spinal tissues, and wash hands and instruments thoroughly after field dressing. Carry and use hand sanitizer.
- For more information visit the FWP website at: **fwp.mt.gov/fishAndWildlife/management/wolf/safety.html**

Actual size wolf track
(typical adult front foot)



Actual size coyote track
(typical adult front foot)



WOLF

- 2.5 feet tall
- 5-6 feet long
- 70-120 pounds
- Broad snout
- Round ears
- Color light gray to black
- Long, low howl
- Track 4.5 inches wide, 5 to 5.5 inches long
- Claws evident

COYOTE

- 1.5 feet tall
- 4 feet long
- 30-40 pounds
- Narrow snout
- Pointed ears
- Color light gray to brown
- Track 2.5 inches wide, 2 to 2.5 inches long
- Claws evident

2014-2015 Sunrise-Sunset Tables For Determining Hunting Hours

These tables, including adjustments for daylight savings time, are the official sunrise-sunset tables adopted by the Montana Fish & Wildlife Commission for wolf hunting in Montana. Authorized hunting hours for the taking of wolf begin one-half hour before sunrise and end one-half hour after sunset each day of the hunting season. **(Do not use from other sources)**.

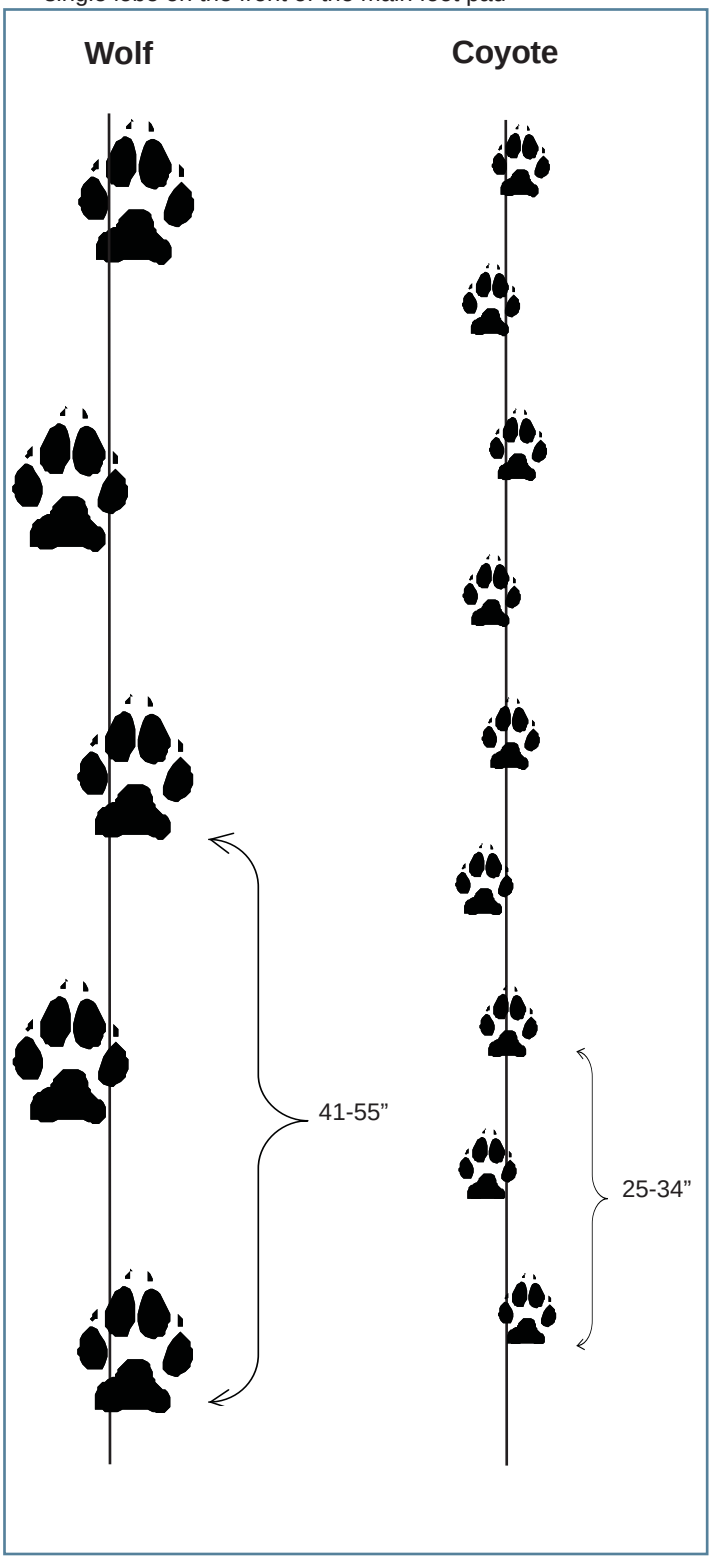
Tracks Stride Length

The tracks shown below represent a “stride length” measurement comparison between a wolf and coyote.

Track identification for both wolf and coyote. Reference page 10 for actual track size and wolf/coyote identification.


- claws evident
- track generally square shape
- track is longer than wide
- four toes symmetrical
- single lobe on the front of the main foot pad
